

Vector2.hpp

```
graph TD; A[Vector2.hpp] --> B[cmath]; A --> C[string];
```

A diagram illustrating the dependencies of the Vector2.hpp header file. At the top, a gray rectangular box contains the text 'Vector2.hpp'. Two blue arrows originate from the bottom edge of this box and point downwards to two separate white rectangular boxes. The left box contains the text 'cmath' and the right box contains the text 'string'. This indicates that the Vector2.hpp header file depends on the cmath and string standard library headers.
